I think if we made a post people would show up. Honestly, I heard the holiday Inn is a trump party central. At million maga the Willard and JW Marriott are right next door and had hangouts and parties afterwards

Stay warm. Last time I went to DC at this time of year I had to wear both hand and feet warmers like hunters wear. Didn't help. Never been so cold in my life. Saw a woman eating in a port a potty, as a sweet potato rolled out from under the door.

Check out the Twitter account ShutDownDC. They are preparing for us. Major military strategy is to fill all hotels with bedbugs.
